This part contains the regulations implementing the National Credit Union Central Liquidity Facility Act, subchapter III of the Federal Credit Union Act. The National Credit Union Administration Central Liquidity Facility is a mixed-ownership Government corporation within the National

Credit Union Administration. It is managed by the National Credit Union Administration Board and is owned by its member credit unions. The purpose of the Facility is to improve the general financial stability of credit unions by meeting their liquidity needs and thereby encourage savings, support consumer and mortgage lending and provide basic financial resources to all segments of the economy.

§ 725.2 Definitions.

As used in this part:

(a) *Agent* means an Agent member of the Facility.

(b) *Agent group* means an Agent member of the Facility consisting of a group of central credit unions, one of which is designated as the group's *Agent group representative* and authorized to transact business with the Facility on behalf of the group or any member of the group.

(c) *Agent loan* means an advance of funds by an Agent to a member natural person credit union to meet liquidity needs which have been the basis for a Facility advance.

(d) *Central credit union* means a Federal or state-chartered credit union primarily serving other credit unions. A credit union is primarily serving other credit unions when the total dollar amount of the shares and deposits received from other credit unions plus loans to other credit unions exceeds 50 percent of the total dollar amount of all shares and deposits plus loans during the qualifying period, as defined in paragraph (o) of this section.

(3) Investments in obligations of the United States or any agency thereof, or securities fully guaranteed as to principal and interest thereby, which are authorized under 12 U.S.C. 1757(7) and which have a remaining maturity of one year or less;

(4) Common trust investments and similar investments in funds or securities authorized for Federal credit unions, the objectives of which are to provide daily liquidity for participating credit unions;

(5) Shares in the National Credit Union Administration Central Liquidity Facility or in special share accounts authorized by § 725.7 of this part;

(6) In the case of a federally-insured state-chartered credit union, any asset held in satisfaction of liquidity requirements imposed by applicable state law or regulation; and

(7) Balances maintained by federally-insured credit unions in a Federal Reserve bank, or in a pass-through account to a Federal Reserve bank, pursuant to the requirements of section 19(b) of the Federal Reserve Act (12 U.S.C. 461(b)).

(i) *Liquidity needs* means the needs of credit unions primarily serving natural persons for:

(1) Short-term adjustment credit available to assist in meeting temporary requirements for funds or to cushion more persistent outflows of funds pending an orderly adjustment of credit union assets and liabilities;

(k) *Member* means a Regular or Agent member of the Facility, unless the context indicates otherwise.

(l) *Member natural person credit union* means a natural person credit union which is a member of an Agent or of any central credit union in an Agent group. Member natural person credit unions are not members of the Facility unless they are also Regular members of the Facility.

Statutory reserves or special reserves required by regulation or special agreement between the credit union and its regulatory authority or between the credit union and its member account insurer shall not be considered as part of surplus.

(p) *Qualifying Period* means:

(1) For initial qualification, any 7 months out of the 12 months immediately preceding the month in which application is made to become a member of the Facility; and
